Tutorial Menginstal Andorid Studio

1. Buka google chrome, lalu ketik “Download Android Studio” di pencarian lalu klik yang ditandai warna di bawah ini.

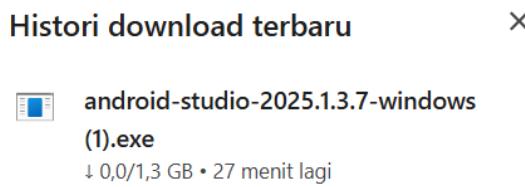

2. Klik “Download Rilis Fitur Baru Android Studio Narwhal 3”.

3. Scroll sampai bagian bawah, centang kotak ceklisnya lalu mulai download.

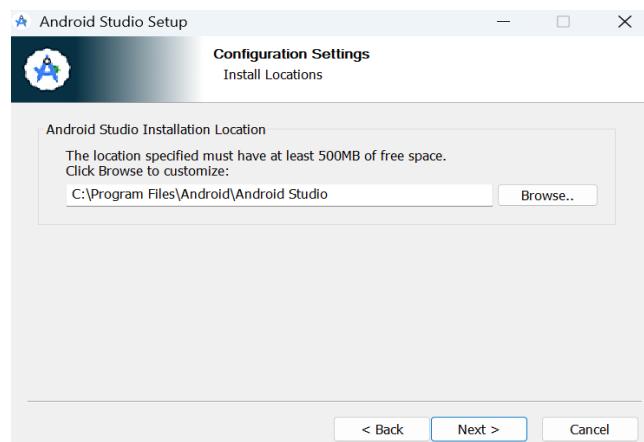

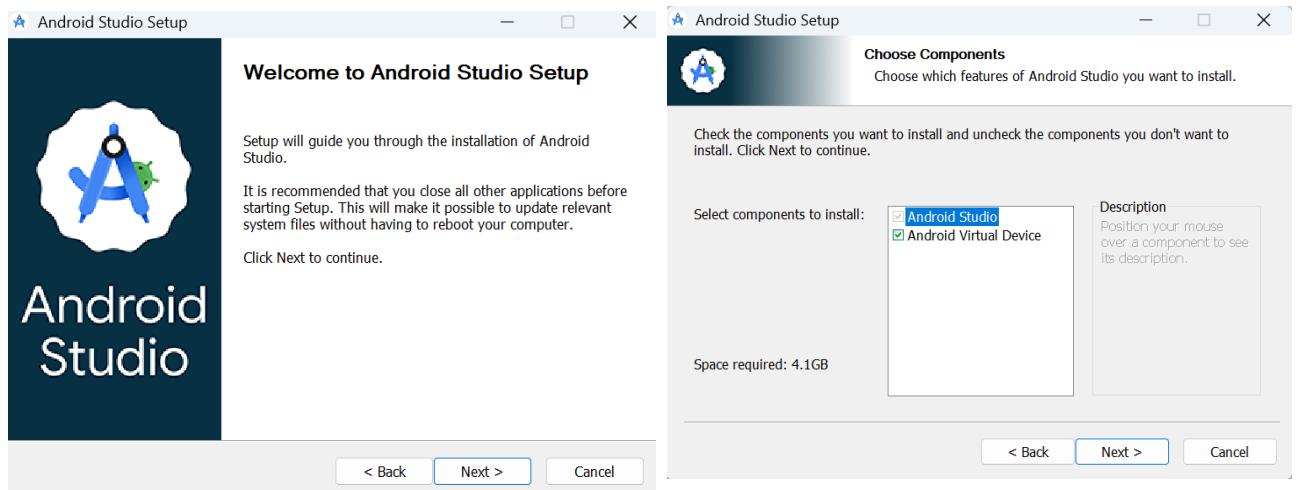

The screenshot shows the download page for Android Studio Narwhal 3 Feature Drop (2025.1.3). It includes the following sections:

- Download Android Studio Narwhal 3 Feature Drop | 2025.1.3**: The main download button.
- Persyaratan dan Ketentuan**: A section containing legal terms and conditions.
- 1. Pengantar**: An introduction to the license.
- 2. Menerima Perjanjian Licensi ini**: A checkbox labeled "Saya telah membaca dan menyetujui persyaratan dan ketentuan di atas".
- Download Android Studio Narwhal 3 Feature Drop | 2025.1.3 untuk Windows**: The download link.

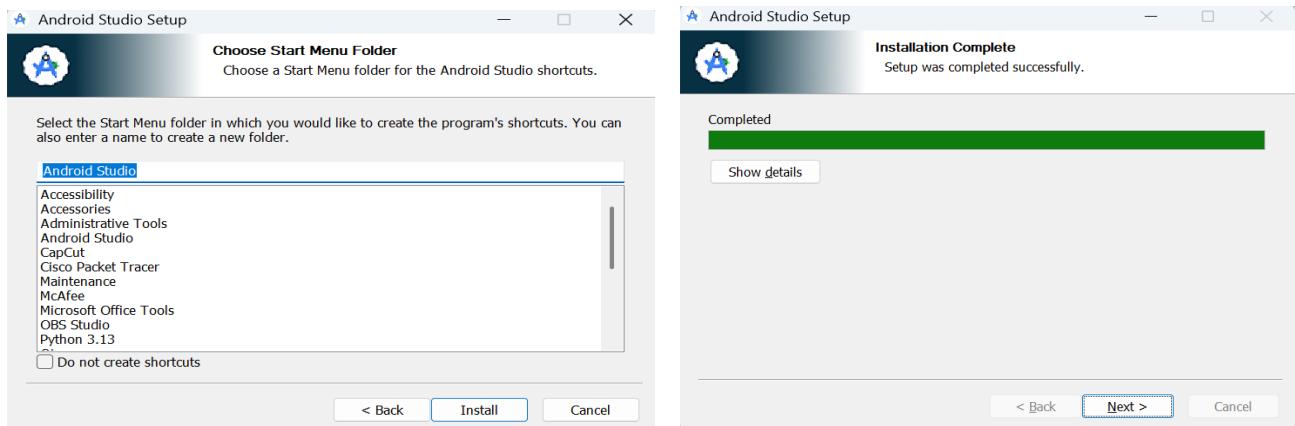

4. Tunggu sampai proses download selesai.

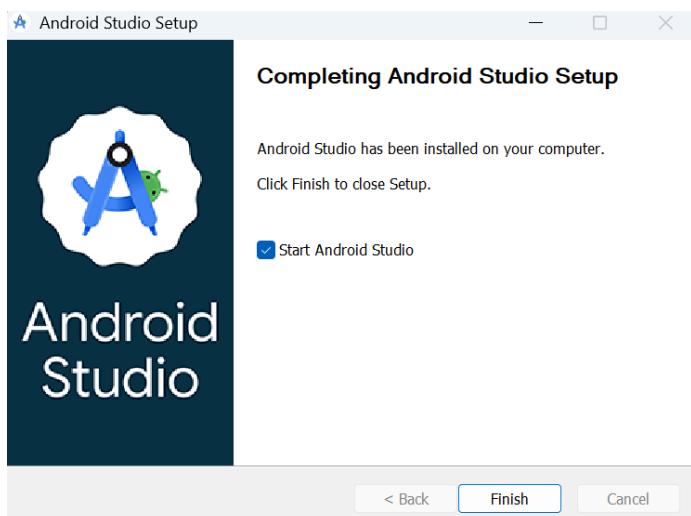

5. Akan ada tampilan halaman android studio, klik next.

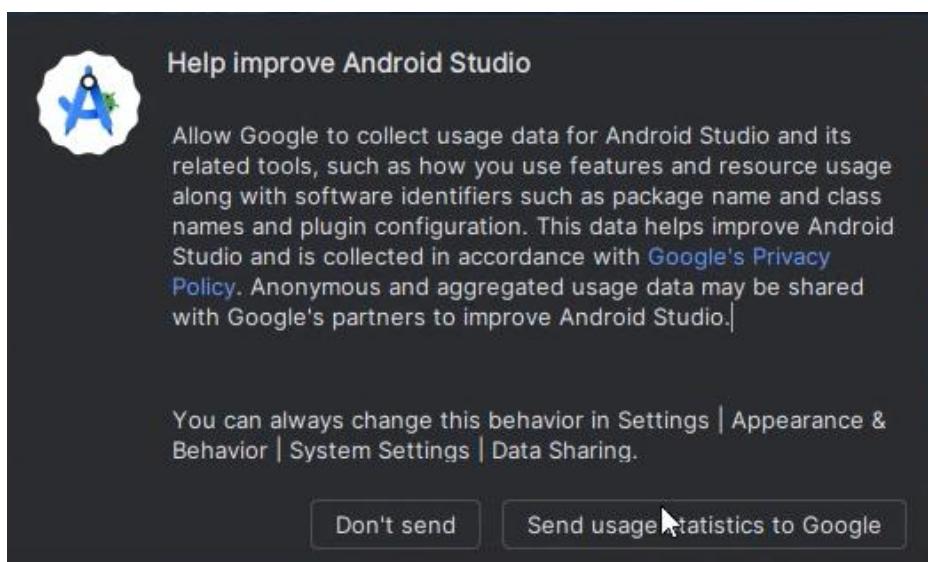

6. Klik install, tunggu sampai selesai lalu next.

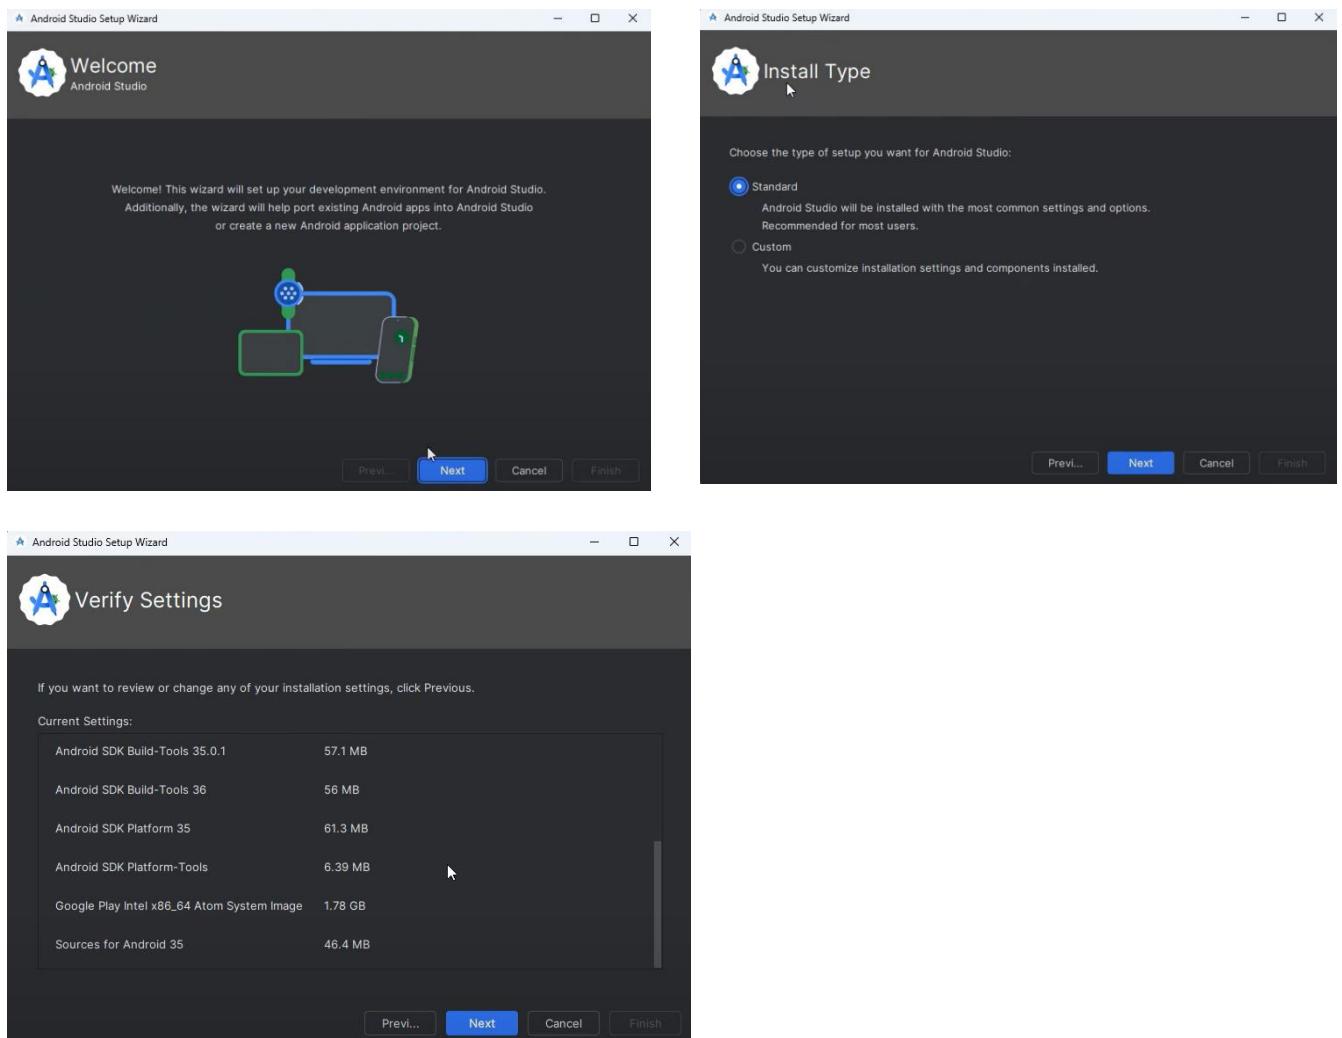

7. Jika sudah selesai, klik finish.

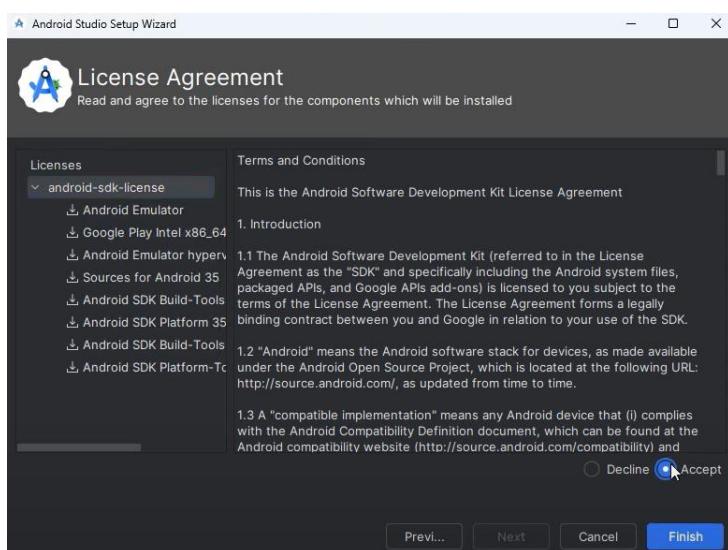

8. Selanjutnya, akan tampil seperti ini di halaman dekstop, klik "don't send".

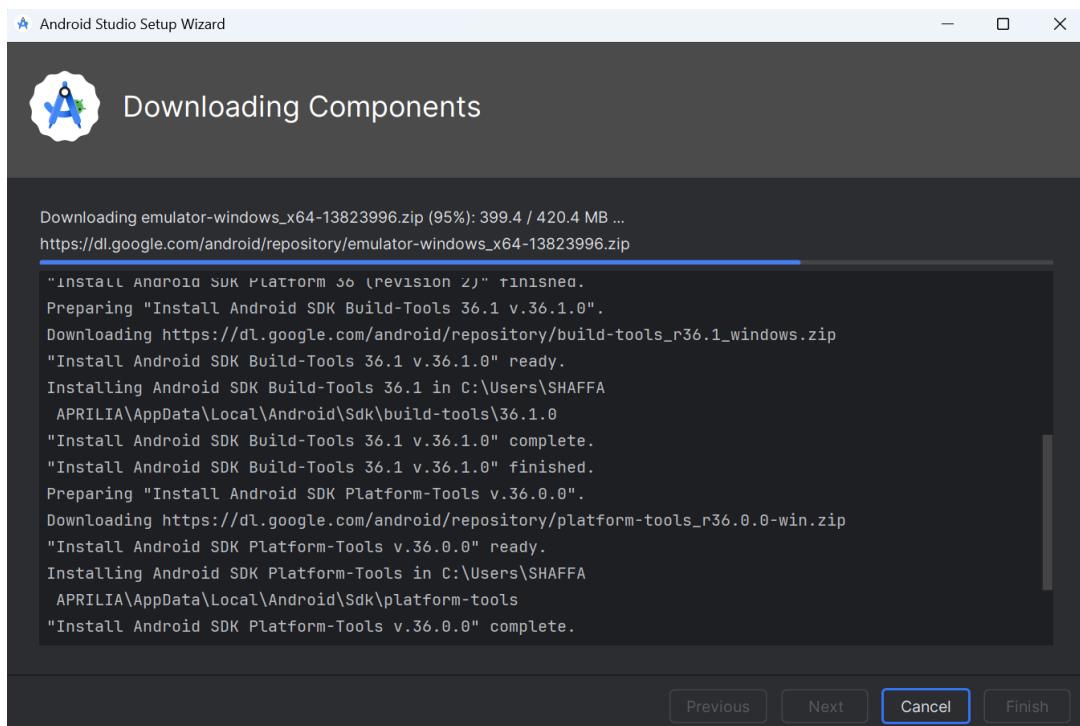

9. Lalu akan masuk ke aplikasi android studio, klik “next”

10. Klik “Accept”, kemudian “Finish”.

11. Tunggu sampai proses download components nya selesai.

12. Lalu akan masuk ke halaman awal dari aplikasi android studio, dan aplikasi siap untuk digunakan.
